IT IS OUR PLEASURE...

to provide you with this list of recommended book titles.

Reading for pleasure can be one of the most rewarding activities in life. The "Graded Reading List Series" were produced in response to children's, parents' and teachers' queries about good books to read.

The lists contain new books which librarians have especially enjoyed as well as old favorites which have proven popular over the years with boys and girls of similar ages.

We hope these books will provide you with many hours of memorable reading. When you need more suggestions, please stop by or call and we'd be happy to make additional recommendations of many more great books to read.

Happy Reading!
